Admission Statement 2012

Thank you for considering Drayton Community Infant School for your child. We hope the following information will help you in applying for a place at the school. If you require any further information please do not hesitate to call us on 01603 860272.

Admission to Year R (Reception)

One of the principles which guided the organisation of schools in this area was that schools are here to serve their local community and parents should feel secure in the decisions they make in choosing schools. The intake numbers of the infant school and the junior school are set at a level by the Local Authority to ensure that all parents in the locality can expect their children to move from the feeder infant school to the junior school, if they wish, and benefit from the close links forged between those schools.

Drayton Community Infant School has always served a wider community as well and we welcome any parent who identifies our school as the one which meets their children's needs best. Our ability to take children from outside our immediate area is dependant on the intake number set by the Local Authority and their admissions criteria which are outlined below. We welcome any parent who wishes to visit our school and we always do

our best to give them an experience which helps them to make their choice.
