

DRAYTON COMMUNITY INFANT SCHOOL

'Learning, Caring & Growing Together'

23 September 2014

To Parents/Carers of Reception class pupils

Dear parents / carers

On Monday 29th September we welcome Rachel Baker from Imps Creativity to our school. Your child will participate in a session with an 'Autumn' theme that will help to stimulate their thinking skills and promote all areas of learning.

We need your help to make sure your child gets as much as possible from this session. You are all invited to join in and the more adults we have the better! The timings for the day are:

- Mouse Class:** 9:00 – 10:15am
- Hedgehog Class:** 10:30 – 11:45am
- Owl Class:** 1:15 – 2:30pm

If you would like to come along then please fill in the reply slip below and hand it into your child's teacher **by Friday 26th September (this week)**. On the day please come via the school office so you can get signed in. We are unable to cater for younger siblings at this time.

Yours sincerely

Mrs C Bates – Headteacher
