

## How is your family facing up to the Smarties Tube Challenge?!!

- Have you eaten, shared & enjoyed your smarties?  
(As part of a healthy balanced diet of course)!
- Did you keep the tube (very important)...?
- How have you got on asking family & friends for any jobs that can be done in exchange for 20p to collect in your Smarties tube?
  - Set the table for dinner?
  - Carried bags?
  - Helped with the dusting?
  - Tidied rooms?
  - Cleared leaves from the garden?
- Jobs done and money collected?
- Seal up your coin-filled tube with tape and **return it to school** anytime from this week commencing **Monday 3<sup>rd</sup> November**.  
(Hand it in to a 'Friend' selling Fireworks tickets this week or to the school office).

Please note; money raised in this particular challenge will contribute to the purchase of electronic tablets this academic year for the children of Drayton Community Infant School. This is to continue the good work of the "Three Peaks Challengers"

<http://www.draytoninfantschool.co.uk/community/3-peaks-challenge/>  
to enhance the learning experience of our children.

Thank you!
