## WANTED

At large events like our **Summer Party**, we always need help on stalls, setting up and tidying away. We have asked each class to run a stall so that everyone does their part and also gets to enjoy themselves, see your Class Rep to sign up.

Or **join us** officially – we will be welcoming new recruits to sign up on 17th **November at our morning AGM**, but until then all help of any kind will be gratefully received.

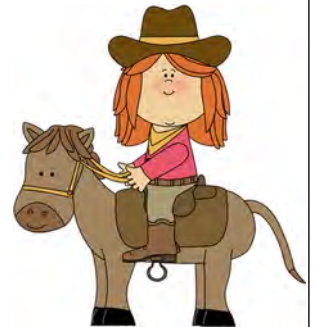

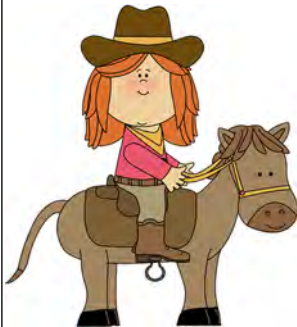

**Together we can make such a difference.** With each person doing their part we have provided some **wonderful events** for everyone to enjoy and **have raised a lot of money too this academic year...**
