

Mrs Dearden has really enjoyed welcoming her new children to Rabbit Class. They have all settled in very well.

We started the term learning about ourselves and our body, which the children thoroughly enjoyed. We learnt about the 5 senses and we had a taste testing morning where we tried something salty, sweet, sour and bitter.

Also, we had a very exciting week as the circus came to visit our school. We watched an acrobat, a juggler on a unicycle and we were squirted with water by a silly clown! We were lucky as we also got to have a go at some circus tricks – plate spinning, tightrope walking and using a diabolo.

Miss Lawrence very kindly brought in Seth, her 62 year old tortoise, to help us learn about different animal body parts. He was definitely a lively tortoise as he wandered around saying hello to all of us. We also had a visit from a naughty bear who ate all our hot school dinners! We then went on a Bear Hunt and had to follow clues to find him. We had great fun! In maths we have been learning how to read, write, order and make numbers to 20 using Numicon. In literacy we have been learning all about Wow Words and Onomatopoeia!

What a great term! You all have lovely children and we have all learnt loads! May I take this opportunity to wish you all a Happy New Year and all the best for 2016!
