

Newsletter June 2016

This term is a very busy and exciting half term. The year 1 children are undertaking the year 1 phonic screening check. In July they are celebrating their time in year 1 by going on a 'Dairy Day' trip to Easton College. Year 2 children have carried out their SAT's and these results and teacher assessments have been moderated by the County Council. They are going to enjoy a trip to the Norfolk Norfolk Railway.

The Reception children had a great day out at the beach at Holkham Hall. The weather was fine and the children and adults had a great deal of fun.

Thank you to all parents and carers for contributing to the cost of these trips and thanks to parents and carers for helping out on the day.

Based on feedback from parents in future years we have agreed that every year group will go on two school trips in an academic year, one of those will be in the second half of the Summer Term.

We are excited about the picnics, sports day, summer Friends event and other events which are happening this half term. We have lots of Learning, Caring and Growing Together to enjoy over the next few weeks.

Claire Bates

Head Teacher

Dates for your diary...

- Friday 17th June** - 'Save the Children' Den building day / Nelson Journey Purple Picnic
- Friday 17th June** - Father's Day Shop

- Monday 18th July** - Sports Day (am)
- Wednesday 20th July** - Last Day of Summer Term
- Monday 5th September** - First Day of Autumn Term

You told us

That you wanted yellow lines put outside the school to ensure the safety of you and your children when travelling to school. These are now in place and this has certainly helped with the traffic congestion around the school.

Parking

We understand that drop-off and collection time is busy outside the school, however please could we all ensure that we park our vehicles safely and ensure that we avoid parking across our neighbours' drives or on yellow/white lines.

Midday Supervisor Assistant JOB VACANCY

We are looking for full and part time MSAs and supply MSAs from September 2016

For more details please ask at the school office

It is great to see so many families using bicycles or scooters to and from school.

Please remember to walk with these whilst in the school grounds for safety of all, and also park your bike considerately towards other users of the bike sheds

In addition can we ask when using the pedestrian gates and walking through the car park please ensure children are aware of moving and reversing vehicles and that they walk with their parents/guardian at all times.

PETS

Please refrain from bringing pets onto the school grounds

Textile Bank

Recycling Bags - Please collect these from the school office

MAY WE REMIND YOU THAT children should remain away from school for **48 hours** (2 days) after the last bout of sickness and/or diarrhoea. In line with current school policy please advise the school on the first day of your child's absence and provide a written note when your child returns to school.

Medical Advice

As the school is situated in a rural area surrounded by agricultural land please use the following link for advice on Ticks

www.nhs.uk/Conditions/Tick-borne-encephalitis/Pages/Introduction.aspx

Warmer Weather

Summer has started and we have welcomed the warmer weather. Please can we ensure

that all children come to school with labelled sun hats and sun cream.

It is important as parents that you encourage them to apply sun cream themselves and the importance of always wearing a hat when outside

Water Bottle

Please can we ensure only water is sent into school in the childrens drinks bottles
