## Phonics

We are recapping split digraphs.  
Practise Phonics at home using Phonics Play.  
[www.phonicsplay.co.uk](http://www.phonicsplay.co.uk)

## Maths

This week we are:

- Recapping time.
- Introducing how to halve and quarter shapes.

## Year 1 Learning WC 23.1.17

## Literacy

This week we are writing non-fiction texts about Earthquakes. We are also learning how to edit our work.

We are also recapping how to use full stops and capital letters.

## Topic

This week we are learning all about Earthquakes.

- In computing we are learning how to write a sentence using Microsoft Word and how to underline, use bullet points and make our writing bold.
- Science we are building mini houses to withstand a pretend earthquake.
- History we are learning about how houses changed over time to help withstand earthquakes.
- Geography we are looking at how the world is made up of tectonic plates.
