'Learning, Caring & Growing Together'

9th February 2018

Dear Parents/ Carers

As half term draws to a close I wanted to update you on some positive changes happening.

NURTURE

As you are aware Mrs Grant leaves us this week however Nurture will still continue after half term. If your child accesses the Woodland room in the afternoon this will still continue as we know how important this provision is for some of our children. If you have any concerns about this please do come and see either myself or Mrs Coy.

OUTDOOR LEARNING

After half term we are excited to inform you that we will be taking the children outside more frequently to access outdoor learning within the curriculum. This will be led by the class teachers alongside Mrs Zagni and Miss Clarke. If you are able to help with this on a weekly basis please do come and see me. More details will follow after the holiday about which children will be the first to access this provision and what they will need to wear.

MARKING POLICY

During this half term the staff and children have reviewed and modified the Marking policy. Mrs Coy ran an assembly to introduce the marking policy and the teachers have helped embed it within the classroom. Since the introduction the children have shown a better understanding of the marking in their books. I have attached a copy of it for you to discuss with your child at home. In this way we hope to strengthen links between home and school. You will also find a copy on our website.

CLUBS

After half term we have an exciting new club for your children to come to after school. We will be running reading club alongside the variety of clubs already available. After Easter half term we will be starting a Science club. More details will follow about both of the new clubs after the holidays.

GOLDEN TICKETS

The children at Drayton Community Infant School have wonderful manners and behave beautifully for the majority of the time. We would like to reward these children for their consistent positive behaviour by inviting two children each week to a Friday afternoon Golden club. Each class will have two golden tickets each week that they can give to individual children whose behaviour has been exceptional. The Golden club will be run by myself and will include a drink, biscuits and some special Golden time. Their names will be recorded in a special Golden book which will also be on the website. In this way we hope to reward those children who always behave beautifully.

We hope that these changes will continue to have a positive impact on the children in the school.

Finally we wish you a lovely Half Term holiday, and will see you all back on Monday 19th February 2018.

Kind regards,

Karen Winter
Headteacher
