'Learning, Caring & Growing Together'

March 2018

Dear Parents/ Carers

I cannot believe that we have come to the end of another term so quickly. Hopefully the weather will be much improved after the Easter break and we may even be able to get onto the field for playtimes.

Thank yous

A huge thank you to the Friends committee for all of their hard work yet again. The discos were so well organised and it was delightful to see all of the children dancing so beautifully. The 'buy a gift for someone you love' event was a huge success and it was amazing to see such a long queue waiting to go into the hall. There is lots more to come in the Summer term so please watch out for the newsletters and check the website for details.

Goodbyes

At Easter we say goodbye to Mrs Tungate who has been with us for seven years. We also say goodbye to Mrs Gilbert and Mr Walland. They have all been such a huge asset to the school and I know how much they will be missed. I would like to thank them for all of their hard work and dedication to the school and wish them well for the future. We also say goodbye to one of our Midday Supervisors, Mrs Harvey, who has worked with the school for many years. Both children and staff will miss her dedication and enthusiasm.

Staffing Structure

When we return after the Easter break there will be a change to some of the adults who work alongside the teachers in the classrooms. Below is a plan of the where each adult will be.

As you can see there is very little change to most classes and all of the adults will continue to work hard to meet the needs of the children in the school.

Term dates

All of the holidays, including staff training days, for 2018/2019 have been uploaded onto the school's website for you to look at. We have deliberately chosen to have the identical training days as the Junior School to ensure that you have fewer child care issues.

Worry Box

In order to enable all of the children in school to be able to share any worries or concerns they may have we have put a worry box in the main school entrance. Children are able to write a worry on a post-it note and post it into the box. Children can either write who it is from or make them anonymous. These worries will be dealt with by the Senior Leadership team weekly and any trends that we notice will be dealt with proactively.

Next Steps.

Thank you for the questionnaires that you completed on the parents evenings. As soon as the data has been analysed I will update you on the outcomes. We will use your feedback to form our next steps in continuing to improve standards in the school.

May I take this opportunity to wish you all a happy, restful holiday. School shuts for the Easter break at 3pm on Wednesday 28th March and reopens on Monday 16th April.

Thank you in anticipation of your ongoing support.

Kind regards

Karen Winter
