'Learning, Caring & Growing Together'

March 2018

Dear Parents/Carers

PARENT/CARERS CONSULTATIONS:

Parent/ Carers consultation evenings will be:

Tuesday **20th March** 2018 between 3.10pm and 7.00pm

Wednesday **21st March** between 3.10pm and 5:30pm

Please note the change of date is due to the school closures last week meaning the letters were not able to go out. This hopefully will allow more time for parents to sign up and arrange childcare for their allotted time.

The consultation will give you an opportunity to discuss the progress that your child has made this year. There will also be an opportunity beforehand to look at your child's Literacy, Maths and Topic books. Each time slot will last a maximum of 10 minutes. If you are able to get childcare it would be preferable, as there will be no supervision facilities for children. However, if you are unable to get childcare please note that they will be your responsibility during the time that you are in school; we request for you to keep them with you at all times to avoid disturbance to other parent consultations.

Separated parents are encouraged to attend the parent consultations together. However, where this is not possible, please contact your class teacher.

Signup sheets will be placed on all class notice boards on Wednesday 7th March, please sign up by Monday 12th March to make an appointment. For those parents/carers who do not drop off/collect their child, please advise another parent/carer to sign up for you. If you are not able to make these times, please contact your class teacher.

Yours sincerely

K. Winter
