

I would like to invite your pupils, parents and teachers to watch The SSE Women's FA Cup Final on Saturday 4 May 2019 at Wembley Stadium connected by EE.

Last season's Final attracted a record 45,000 attendees as Chelsea Ladies defeated Arsenal Ladies in what was a thrilling game. At this season's Final we're expecting even more people to be in attendance to experience Wembley Stadium's unique atmosphere, our designated FanZone and some of the best players in the world.

We are contacting you this early as we are aware that you will need time to consult with governors, parents and teachers prior to making a decision.

Our aim at The FA is to give every child the opportunity to experience Wembley, the home of English football. With The SSE Women's FA Cup being the most family-friendly game to be hosted at the stadium, with thousands of children, parents, schools and junior football clubs all in attendance, this could be a wonderful opportunity for the children and parents at your school.

Fans who buy now will receive 50% off all adult tickets (standard price at £15) until September 30th, with children under-16 free of charge. Discounted group rates are also available for schools and groups of ten or more - adult tickets are just £7.50.

I hope that you'll come along as a school group or pass this information onto the parents and children at your school as an excellent value day out. As a thank you for booking early, we'll be

offering schools and groups that book tickets before 31 January, 2019 with the opportunity to win additional experiences such as:

- Free coach travel to the game
- A visit from The SSE Women's FA Cup trophy to your school
- A tour of Wembley Stadium
- A prize draw will be made for schools that bring ten students to the Final, giving your school the chance to experience a magical day at St. George's Park, the home to England's 28 national teams

Tickets can be booked at ticketing.thefa.com.

I hope to see you at the game.
Best wishes,

Sue Campbell
