'Learning, Caring & Growing Together'

14th September 2019

Dear Parents/Carers,

It is with great delight that I am writing to inform you that both the Pirate ship and Teepee area have passed their safety inspections and are ready to use.

We would like to launch them with a celebratory Pirate dressing up day on Friday 21st September. This gives our new Reception children enough time to settle into the routines of being in school for the whole day. During this special day, staff will take the children onto the new equipment and teach them how to use it safely.

Each year group will have lots of exciting Pirate themed activities planned and we will take photos and put them on the website for you to enjoy.

Thank you for your patience in waiting for the new equipment to be ready.

Yours sincerely,

K. Winter
