'Learning, Caring & Growing Together'

June 2019

Dear Parents/Carers of children in Year one,

Welcome back we hope that you all had a lovely break with your child/children. This term we will be creating lots of challenging and exciting cross curricular learning experiences for your child/children.

Our topic this half term is: The Adventures of the Egg Box Dragon. Please see the reverse for the curriculum map. Please could you send in any junk modelling throughout the half-term as we have created a workshop in each classroom.

We are continuing the new program of work for Literacy 'The Power of Reading' which engages children in the Literacy curriculum using high quality books and proven teaching approaches. The book we are focusing our learning around this half term is the The Adventures of the Egg Box Dragon by Richard Adams. We do however, ask you **not to buy the book or read the book** to your child as this will have an impact on their learning and the aim of the program.

What's on

Thursday 11th July – Sports Day 9.15am

Please can you ensure that your child has their PE kit in school every day as PE will be outside this half-term and our PE day may have to change due to the weather. Could you also ensure that your child has sturdy trainers for PE, as we will be doing athletics, which includes lots of running.

As this is the summer term, each child needs to come to school with a hat, full bottle of water and, if appropriate, sun cream already applied. Children can bring their own sun cream which should be labelled and they can apply it themselves. Children are not allowed to share sun cream between themselves.

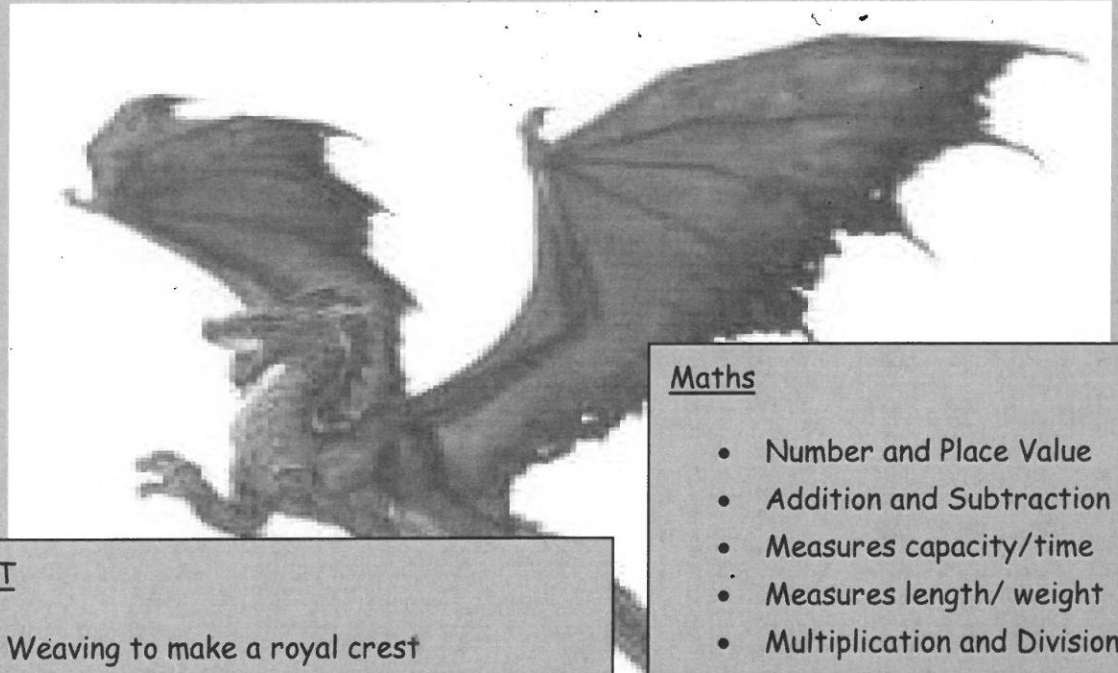

If you have any concerns about your child, please speak to your class teacher who will be more than happy to help.

Kind Regards,

Year 1 Team

Summer 2 Year 1 2019

Literacy
