

What have we been doing this week?

This week in Reception has been a busy one. We started the week learning about St David's day, Wales and how the Welsh people celebrate. On Thursday, it was World Book Day. We had great fun reading and sharing lots of our favourite Julia Donaldson books while everyone was dressed up in their amazing outfits. We have also continued to learn about Bog Baby. We have discussed habitats and descriptive words. We have painted and created pictures in the style of Monet and Van Gogh to match the illustrations in the book. We have also been talking about 3D shapes and using Maths words such as face, solid and vertices to describe them.

This week in Year 1, we have been learning about how to ask and answer questions. We had great fun hot seating. In Art, we have been painting our Beegu clay models. In ICT, we have been using the laptop to move words and label pictures. We then learnt how to print.

This week in Year 2, we have been writing spells to defeat the witch. We enjoyed making them have some very disgusting ingredients and challenged ourselves by making them rhyme. In maths, we were describing 2D and 3D shapes. In science, we got our hands and our teachers messy by making SLIME, we enjoyed making observations of how the slime changed. We had great fun on World Book day sharing our stories in class.

The Book fair

Remember the Book Fair is open every morning from 8:30-9:00 and every afternoon from 3:00-3:30 until Wednesday 11th March & Thursday 12th March morning. It will also be open on **Parents Evenings**

Bring along your £1 book

Share a story reading challenge

Please remember to fill out your share a million stories reading record. You can tick or colour in a box every time you share a story or when someone has shared a story with you. Please also write in your reading record when you have done this.

6.3.2020
