SCHOOL SPORT COORDINATOR Liz Dearden

Summary of PE & Sport Premium Expenditure 2019 - 20 (PRIORITIES)

Objectives of spend:

AREA OF CD WHEEL FOCUS

- 1 The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity
- 2 The profile of PE and sport being raised across the school as a tool for whole school improvement
- 3 Increased confidence, knowledge and skills of all staff in teaching PE and sport
- 4 Broader experience of a range of sports and activities offered to all pupils
- 5 Increased participation in competitive sport

Staff Training and Support

Assessment and Planning

Pupil Achievement and Progress

Teaching and Learning

Item / Project	Projected cost	Actual Cost	Objectives	Outcomes / Measuring Impact	Sustainability
Membership of WNDSSP for 2019-20/20-21	£5,400	£5,400	Provision of Events/Festivals & competitions as well as significant programme of CPD opportunities for all staff - including bespoke PE support for Subject leader and the School overall.	Improvements on CD Wheel around - COMPS / STAFF DEV / Health and Wellbeing	Ongoing support and staff development for long term sustainable benefits
CLUBS	£0	£0	Ask for children and parent voice as to which clubs they would like to see run before/ after school. Engage pupils in regular physical activity. Offer a broader experience of a range of sports and activities.	Increased number of children attending clubs. Increase levels of activities of all pupils across the school. Evidence from a repeat of the Koboca survey. Can target specific groups.	Koboca survey can raise pupil voice of sports/activities wanted by the children, more children attend, increase activity levels of children.
"Set Your Sights" External Coaches to up skill Teachers.	£30 per hour £4000		To allow teachers the opportunity to observe good teaching of PE, including assessment and differentiation, and to co-teach and then teach with support to ensure that the teaching of PE is good to outstanding across the school.	Continue to monitor PE Teaching and Learning. Each teacher to assess the PE skills 3 times a year. Teachers, children and the whole school to focus on health and wellbeing this year, which will be seen in the plans written by SYSs. Differentiation is also to be looked at in PE sessions, following teacher feedback on the	Schemes of work left by the coaches, which teachers are able to follow each year, which include health and wellbeing themes and differentiation in PE lessons..
Purchase of Jasmine	£245		To encourage the staff to use realPE again, using a much more accessible resource, which easily identifies differentiation and assessment.	After feedback form teachers regarding the difficulties of using realPE, the new resource will ensure that the teaching of realPE will be easier and the teachers will enjoy teaching realPe.	Readily available for each teacher, easy to use for new teachers.
Outside companies/Clubs to come into school.	£2000		Collapse the Curriculum Days/Afternoons where outside companies/clubs can lead a day to introduce all the children to new skills and ideas, e.g. Speed Stacking Day, Mindfulness Day, Zumba....	Children to experience new ideas and skills which helps to foster a love of being active and possibly find an activity which they love.	Links to these clubs which the children could then join outside school or in an after school club.

PE Lunchtime equipment to be used outside and in the classroom.	£1000		To ask the PE Leaders which new equipment they would like for outdoor play. To find out if we can buy equipment which can be used in the classroom during to prevent wet play to prevent being less active than outdoor play, e.g.Speed Stacks. Increase activity levels of all pupils throughout the day aiming for 30 minutes activity each day. Time to practise skills learnt in PE lessons.	Children show an improvement in Physical Development, have increased activity levels, fewer behavioural issues displayed at lunchtimes.	Equipment kept in shed, so looked after. Adults to help teach the children what to do with various equipment, so they can do it individually. Indoor wet play equipment to be kept in the small PE cupboard.	
Teaching of Yoga across the school/cluster for all Teachers	£1500		To have CPD from 'Mini Me Yoga', which all teachers then can incorporate into the school day.	Children show an improvement in Mental Health and Wellbeing, with strategies being taught to help reduce stress levels, increase concentration will lead to improved focus and progression within subjects.	School Policy to be amended to include at least 10 minutes of Yoga in every class every day, with a wish of 10 minutes of Yoga 3 times a day.	
Equipment for curriculum PE	£2,000		To enable the children to have good quality equipment for PE lessons.	First quality teaching with enough, good quality equipment for each child, with differentiated resources to help each child progress.	Equipment will last longer if good quality, to use year after year.	
Virtual Challenge-certificates and prizes	£400		Whole school initiative to allow 100% participation in a competition in a half-termly virtual challenge across the WNDSSP.	Every child in the school (by Easter for EYFS) will compete every half term in a virtual challenge. Every child will receive a participation certificate and the top boy or girl from each class will receive a prize.	Fostering a love for participation and competition leading to increased activity levels of children.	
Maths of the Day	£654		Teach Active is a multi-award-winning online resource that provides teachers with lesson plans and resources to deliver the Primary Maths curriculum through physical activity	Increase the activity lessons of children during maths lessons. Increase the fun, problem solving and interest of children learning and applying maths skills.	Games printed and saved to server for future use. Foster a love of Maths.	
Koboca	£100		To have a parent survey to identify the least active children in the school and attitudes to healthy lifestyles.	Least Active children are identified and measures are put into place to increase the activity levels of these children, e.g. a special lunchtime club, free after school activities....	These least active children will foster a love of being active and their health and wellbeing will improve.	
Healthy Ambassador Training (1 day - PE Lead)	£500		The PE Lead to attend a Healthy Ambassador Training day with on-line learning, to be able to lead the school in relation to Health and Wellbeing, ensuring it is a valuable part of the varied curriculum we offer.	Children have a greater sense of their own health and wellbeing through it being taught and supported by all members of staff as an important and timetabled part of the week.	On-going and updated school policy to include Health and Wellbeing for all.	
CPD for staff	Part of Package	£0	All staff to a CPD about what Outstanding PE looks like and What Ofsted are looking for. Some staff also to be invited to attend an Active English Workshop and Daily Physical Activities workshop run by the WNDSSP.	All staff to be focused on teaching Outstanding PE lessons, following on from last year's focus to improve the teaching and learning of PE. This will continue to make PE a focus subject, to give all children a wide and varied PE curriculum and to foster a love of PE as a lifestyle choice.	The activities will be used by all staff each year as it is added to the curriculum to ensure that it is varied and exciting.	
Teacher's PE T-shirts/Hoodies	£150		To model the importance of bringing PE kits. To show how important PE is to the school and to look professional when we teach PE.	More children bringing in PE kit. Teachers feel valued and more comfortable when teaching PE.	Can continue to wear the PE Hoodies throughout each year. More can be bought for any new teachers.
