

# How can I look after my world?

<u>Step 1</u>	Science	I can plant seeds and help them grow. I can understand how plants help keep the air clean and healthy.	
<u>Step 2</u>	Science	I can understand why bees are important to us.	
<u>Step 3</u>	Art	I can paint a picture of Sunflowers in the style of Van Gogh..	
<u>Step 4</u>	History	I have learnt who invented the lightbulb.	
<u>Step 5</u>	History/ Geography	I have learnt about the history of how paper was made in 105BC in China and have compared it to how it is made now.	
<u>Step 6</u>	History/ Geography/ Science	I have the learnt the history of Recycling and understand how important it is to recycle and how it helps our environment.	
<u>Step 7</u>	Art	I have learnt about the work of Rodney Rodrigo McCoubrey and created a whole class
