Year 1

Summer 2

Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7
capacity	Addition and subtraction	Fractions	Multiplication and division	Measures - time		
compare, describe and solve practical problems for: capacity and volume [for example, full/empty, more than, less than, half, half full, quarter]	Focus on inverse addition and subtraction and missing number problems	recognise, find and name a half as one of two equal parts of a quantity recognise, find and name a quarter as one of four equal parts of a quantity.	Focus on commutativity of multiplication, and inverse relationship between multiplication and division (2s 5s 10s)	tell the time to the hour and half past the hour and draw the hands on a clock face to show these times
