

Friends of Drayton Community Infant School

Class Reps List

2013-2014

Class Reps help to communicate between the Friends and the parents of each class. This might take the form of putting paper communication in the bookbags of your class, putting up information on your class notice-board, speaking with & listening to parents too and feedback comments made.

Cheryl Stone co-ordinates the Class Reps & will get in touch with you when there is information to be distributed - please get in touch with Cheryl (info below) if you have any questions...

Please list ways that we can contact you & know that we will act responsibly with this information
