'Learning, Caring & Growing Together'

23<sup>rd</sup> April 2018

Dear Parents/ Carers,

Welcome back to a sunny start to the Summer term! How wonderful it is to welcome you into school in the morning in the lovely warm sunshine.

Now that the weather is warming up a few reminders about sun safety- please ensure that your child has a named sun hat with them, a water bottle and plenty of sun cream. We are unable to apply sun cream for the children however if they bring in a named bottle they can put their own on. Please remind them not to let their friends borrow it. If you need any other information please see our sun cream policy which is available in the main school office.

### Parental Questionnaires.

Below are the outcomes of the parental questionnaire we asked you to complete at the parents evenings.

In total we had 114 questionnaires returned which was brilliant and it has provided us with some action points and thoughts for next steps. However we are delighted that the vast majority of you feel that the school is meeting your child's needs appropriately. Our school website has a tab for reporting parent view to Ofsted and we would be very pleased and grateful if you could spend a few minutes completing the online questionnaire as Ofsted will use this information to gauge your views about the school. If you have no access to the website we can arrange for you to use a computer in school.

### **Attendance**

It is important that your child attends school every day. If they are unwell please let the office staff know either in person or by telephone. We are unable to approve any holiday during school time unless it is for exceptional circumstances. Our School Council will be discussing attendance and will be making decisions about how to reward excellent attendance at the end of each term.

If attendance becomes an issue we will write to you and invite you in for an initial meeting to discuss what support we can give as a school to improve it. If you are concerned about your child's attendance please do come and see us. The more information we have the better we can help.

### **Friends**

The Friends committee continue to be a huge support for the school. We are so grateful for everything they do and hopefully in the Autumn Term you will be able to see a more beautiful playground environment for your child to enjoy.

There are lots of events coming up run by the Friends and a separate newsletter will come out about this.

### **Transition arrangements**

At present we are busy finalising transition arrangements for all of the children, including new classes for September. I am aware that this is an anxious time of year for both yourselves and your children. As soon as we have finalised arrangements a separate letter will come out to you all.
