

Drayton Community Infant School Weekly Newsletter 17.9.21

Dear Drayton Families,

It's been another busy week at Drayton this week and the children have amazed us how well they have settled back into school and into their new classes. We are very mindful that the past 18 months has affected each year group in different ways but they've continued to show us how resilient they are and have risen to the challenge – whether it's starting school, moving to a new class or making new friends.

We are working hard to improve our school site and building and have plans to continue this throughout the year. During the summer, Mr Mason and Mr Tame began decorating and making some changes to the area outside of Acron club. We now have a new fence in the pond area to allow for more outside space for wrap around and have created a 'Family Room' in the school which is almost finished. As well as providing a quiet space for interventions, it will also be used to meet with families in a more relaxed and welcoming environment. Once we've added some finishing touches which will include some art work by the children, we'll share some photos on our website.

Despite only returning to school recently, we are aware many begin to plan holidays for next year well in advance. We have included the 2022-2023 Norfolk school calendar, which we will be following, to the date section below for your information. School is open to children on all dates marked in white.

Lastly, please could I remind you that can find the current menu on our website under our key information tab. As well as offering meat and vegetarian options, the kitchen also provides pasta options and jacket potatoes. All meals are free for all children while they are at Infant School; there is no need to complete any forms or apply. If your child isn't the most adventurous eater or you are worried regarding any dietary requirements, please speak to your child's class teacher in the first instance. Medical dietary request forms are available from the school office.

Wishing you a wonderful weekend and we look forward to welcoming you all back next week.

Sarah Hutt

Acting Partnership Headteacher

	Attendance of the week award goes to:
SCHOOL	Year 1- The winner is Rabbit with 97%
Attendance	Year 2- The winner is Fox with 98%
act in the	We would like to say a huge thank you to the Friends of Drayton Community Infant
	School for supplying all of the reception children with a bear. The Friends play a huge
FRIENDS	role in providing the school with
	Mole: Monday and Thursday
	Rabbit: Monday and Wednesday
•PE	Starling: Monday and Tuesday
twinkl.com	Year 2: Thursday and Friday
	Reception won't start PE until later in the school year. More information will follow.

We use Parentmail to send letters, messages and forms. The emails with a registration
link were sent to all Reception parents. Please set the login details in order to receive all
our correspondence. Any problems please email the office.
Collecting children
Any adults on the contact list can collect children without password. There is no need to
contact the school. If an adult not on the contact list collecting a child, please call the
office and leave a message, and ensure the person has the password registered with
the school.
Please be reminded that it is the parent's responsibility to ensure your child's contact
details are kept up to date in the school office. Please contact us immediately if these
are change.
Change of menu
Unfortunately, because of shortage of drivers and supply, our menu might change at
short notice.

Next week, we will be talking more about our families. Please try to make sure you have uploaded a photo of your family and the front of your house to Tapestry to help us with this.

This week, we have introduced our new Power of Reading Book. We have been contributing our ideas to numerous class discussions while exploring the new text. The book we are looking at is called: 'The Last Wolf' by Mini Grey. We have been exploring more about the characters in the book and have wondered how they might be feeling in different parts of the story. In maths this week, we have been counting, reading and writing numbers from 0-20 as well as looking at numbers to 100! We have spent the afternoons listening to instruments in music, to help us when we come to listen to new pieces of

We have assigned an activity on Seesaw for you to complete with your child to help us in our learning next week This is due in school on Thursday 23rd September

This week, we have been reading more about Pattan and his giant pumpkin. The children have been comparing the story to others that they know involving enormous fruit and vegetables. We have been discussing similarities and differences between the different stories like Cinderella, The Enormous Turnip and James and the Giant Peach.

In maths, we have been practising addition using a variety of methods such as concrete resources, pictorial drawings and blank number lines.

in school.

The children really enjoyed spotting the physical differences between the U.K. and India as part of our geography learning this week. We discussed the human geographical features of both countries. Year 2 have recapped the importance of the PANTS rule with Pantosaurus and made posters to display

Our home learning challenge for this term is now on seesaw. Please complete the challenge and upload your work to seesaw by 18.10.21 so that we can share our work with each other in school.
