### **Present**

Matilda Clay Flora Harley

### **Minutes from last meeting:**

The classes have voted for and suggested lots of good activities for fund raising for RSPCA but all the classes wanted to bring a cuddly animal to school for a donation .

We decided to wait until the new term to do this as there is a lot of charity stuff now.

Starling – toy sale

Owl – Stay and Play/Cake sale/fruit sale/ running race/ bring a toy

Squirrel- bric a brac/games and toys/pj day/ dress up as an animal/ sponsored run

Mole – cuddly toy/fete/ dress up / sponsored Jump Start Johnny

Fox – Clothes/look after your pet/ furniture sale/ drink stand/book sale /food stall

This week's meeting:

This week we discussed the lunch hall and what we like and don't like about it

### **Starting with food**

We like the sausage rolls

Some like the pizzas

The spaghetti bolognaises

We worked out there are 6 different choices – hot /veg/jacket/ ham /cheese/ tuna /pasta

When Mrs Boyce went to school it was just hot!

We talked about the double sandwich

We talked about where we sit in the hall – MSA to be invited to next meeting to explain

### **Special Person**

We discussed having a special person of the day in each class – ie mole of the day

This person could sit with a friend on a special lunch table.

This person could lead the line.

Make sure the boots are tidy and generally be the monitor

### **Tokens v Stickers**

We talked about stickers v tokens, but we are keeping the result of the vote secret

This week's big questions:

If you have a double sandwich – do you eat everything else?

Do you eat the cucumber and the carrot? Would it better to choose either carrot or cucumber?

Do you think 6 choices is enough?

What do you think about how we sit in the hall?

What do you think about having a special person of the day ?

What would that person do? What would be special for the person?

Which do you like best tokens or stickers?? Class votes please
