This week's meeting:

In this week's meeting we introduced ourselves.

We spoke about the role of the School Council representative and what qualities we might need to have to be successful.

This week's big questions:

What rules are there for the school field??

\*stay this side of the mound

\*be seen and heard

\*stay out of the bushes

\*be kind

\*share the equipment

\*stay out of the sandpit

Which charities do we (as a school) want to support this year?

Can you choose – old people, animals, children or an illness?

Please vote in class for one category and then we will vote for a matching charity.
