Year 2 Autumn 1 Home Learning

These are optional activities to support your learning in class.

Please bring any completed activities in to class by Friday 18th October.
Please make sure they are all named.

.

Art

Use vegetables or fruit and paint to do some printing.
Can you make a repeating pattern?

Computing

Find items in your house that use IT, eg computers, phones, smart speakers.
Draw and label what you find.

Geography

Go for a walk in your local area.
Draw or take photos of the signs of autumn you find.

Science

Look at an item of furniture in your house.
What material is it made from? Why do you think it is made from this material? What are the properties of the material?

Maths

Be a number detective
