NHS Dental Screenings

Beechcroft Dental Practice are offering dental screenings to our children on Wednesday 26th March 2025.

They will come into school and do a simple mouth screening for consenting children, if any issues are detected during the screening your child will be given a form informing you of this and whether further examination/treatment is required in a dental environment.

Once the screening has taken place you can contact Beechcroft to register your child with Beechcroft Dental Practice as NHS. This is being offered to both children who are not registered and registered with a dental practice, this will not affect your child's current position if they are currently registered at a different practice.

If you would like your child to have the simple screening within the school day, there are two consent forms and a letter from Beechcroft Dental Practice that need to be collected from the school office and returned no later than Wednesday 12th March 2025.

My School Fund

My School Fund is an exciting initiative that combines the spending power of parents, guardians and carers in order to boost school and nursery budgets. By registering, individuals can link their spend to their chosen school or nursery, meaning every time they make a purchase with participating retailers, both will benefit through this innovative cashback scheme.

For every £1 spent with participating retailers, 1% will go to the school or nursery (terms and conditions apply) and 2% will go to the individual. Over time, this figure will add up and can be redeemed in the form of e-gift cards that can be spent online or in-store with participating retailers.
