	Year 2 asked if all the children could have spellings for their groups? Parent asked if the canopies out in Year 2 could be swept and tidied Is it going to be two Year 1 classes next year not three? Neither Clubs – Creative and Lego club possible Parents evenings were running so late that people missed their appointments 10 mins each – advertise longer sessions for those who need longer What's going on in each other's phonics groups School meal pdfs Tedious to refer – printable pdfs of school meal Information through weduc – and pupil asset is rubbish Trust level – what are we doing – Tracy Wharton -	 Lou Boyce will ask the class teachers to look at this And investigate the reasons why some do and some dont Added to the Site Managers book Lou Boyce explained that the planning for next year was being made but it was not finalised and that the school community would be told together of any changes to be made next year Lou Boyce explained that clubs are run by teachers in their own time but that in thinking about what to provide we will definietely bear this in mind. Lou Boyce understood that this can happen Think about how we can improve next year Teachers felt they did know what is going on for the children in their classes as they can see the progress in Reading and Writing and extra class-based phonics Forum said that Pupil asset is now 'rubbish' and its tedious to move between weduc for the meal information to Pupil asset Lou Boyce will discuss with SLT and Admin staff to see if we can make this easier for everyone to book the meals
