Year 2 Autumn 2 Home Learning

These are optional activities to support your learning in class.

Please bring any completed activities in to class by Friday 11th December.

DT

Draw a picture of a wheeled vehicle at your home eg car, bicycle, pushchair. Label the wheels and axles.

Maths

Be a number detective

https://nrich.maths.org/problems/number-detective

(If you would like a printed version of this maths problem please ask your teacher)

Geography

Keep a weather diary for one week.

Science

Plant some flower bulbs in your garden or in a pot

Daffodils, tulips snowdrops and crocuses are ready to plant now! Look after what you plant because we will be revisiting this in spring!

English

Write a poem about Autumn.
